

# Finding the Job I Want | My Support Team

**Where I want to work / the job I want:**

**What has stopped me from getting a job:**

**Who can help me advocate for myself:**

Directions: In the map below, list the people in your life in their corresponding sections.

Directions: In the chart below, list step by step actions you must take to get a job (i.e. making a resume). Then, referring to the relationship map above, list who can help you with each action step.
